I will Survive

At first I was afraid, I was petrified
Thinking I could live without you by my side
And after spending nights
Thinking how you did me wrong
I grew strong
And I learned how to get along

Now you're back
From outer space
And I find you here
With that sad look upon your face
I should've changed that stupid lock
Or made you leave your key
If I'd've known for a second
You'd be back to bother me

Go on, go, walk out the door
Turn around now
You're not welcome anymore
You're the one who tried to hurt me with goodbye
Think I'd crumble?
You think I'd lay down and die?

No, not I, I will survive
Long as I know how to love, I know I'll stay alive
I've got my life to live
And all my love to give and
I will survive
I, I, I will survive

It took all my strength not to fall apart
Trying with all my might to mend my broken heart
I spent so many nights feeling sorry for myself
How I cried
But now I hold my head up high

And you see me, somebody new

I'm not that lonely little person
Still in love with you
Now you come droppin' in
Expectin' me to be free
Now I'm saving my lovin'
For someone who's loving me
Go on and go, walk out the door
Turn around now
You're not welcome anymore
You're the one who tried to hurt me with goodbye
Thinkin' I'd crumble
Did you think I'd lay down and die?
No, not I, I will survive
Long as I know how to love, I know I'll stay alive
I've got my life to live, and all my love to give
And I will survive
I, I will survive

Go on, go, walk out the door
Turn around now
You're not welcome anymore
You're the one who tried to hurt me with goodbye
Think I'd crumble?
You think I'd lay down and die?

No, not I, I will survive
Long as I know how to love
I know I'll stay alive
I've got my life to live
And all my love to give and
I will survive
I, I, I will survive

Staying Alive

Two, three, four

One, two, three

Well, you can tell by the way I use my walk

I'm a woman's man no time to talk

Music loud and women warm, I've been kicked around

Since I was born

And now it's all right, it's okay

And you may look the other way

But we can try to understand

The New York Times' effect on man

Whether you're a brother or whether you're a mother

You're stayin' alive, stayin' alive

Feel the city breakin' and everybody shakin'

And we're stayin' alive, stayin' alive

Ah, ha, ha, ha, stayin' alive, stayin' alive

Ah, ha, ha, ha, stayin' alive

Ah when you want

Well now, I get low and I get high

And if I can't get either, I really try

Got the wings of heaven on my shoes

I'm a dancin' man and I just can't lose

You know it's all right, it's okay

I'll live to see another day

We can try to understand

The New York Times' effect on man

Whether you're a brother or whether you're a mother

You're stayin' alive, stayin' alive

Feel the city breakin' and everybody shakin'

And we're stayin' alive, stayin' alive

Ah, ha, ha, ha, stayin' alive, stayin' alive

Ah, ha, ha, ha, stayin' alive

Life goin' nowhere, somebody help me
Somebody help me, yeah
Life goin' nowhere, somebody help me
I'm stayin' alive

Well, you can tell by the way I use my walk
I'm a woman's man no time to talk
Music loud and the women warm
I've been kicked around since I was born

And now it's all right, it's okay
And you may look the other way
We can try to understand
The New York Times' effect on man

Whether you're a brother or whether you're a mother
You're stayin' alive, stayin' alive
Feel the city breakin' and everybody shakin'
And we're stayin' alive, stayin' alive
Ah, ha, ha, ha, stayin' alive, stayin' alive
Ah, ha, ha, ha, stayin' alive
Life goin' nowhere, somebody help me
Somebody help me, yeah
Life goin' nowhere, somebody help me, yeah
I'm stayin' alive
Life goin' nowhere, somebody help me
Somebody help me, yeah
Life goin' nowhere, somebody help me, yeah
I'm stayin' alive
Life goin' nowhere, somebody help me
Somebody help me, yeah
Life goin' nowhere, somebody help me, yeah
I'm stayin' alive
Life goin' nowhere, somebody help me
Somebody help me, yeah
Life goin' nowhere, somebody help me, yeah
I'm stayin' alive

Dancing Queen

Ooh, you can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music, getting in the swing
You come to look for a king

Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine
Oh, yeah

You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

You're a teaser, you turn 'em on
Leave them burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine

Oh, yeah

You can dance, you can jive

Having the time of your life

Ooh, see that girl, watch that scene

Digging the dancing queen

Digging the dancing queen

Yes sir I can Boogie

Mister

Your eyes are full of hesitation
Sure makes me wonder
If you know what your looking for

Umm, baby I wan't to keep my reputation
I'm a sensation
You try me once you'll beg for more

Oooohh! Yes sir, I can boogie
But I need a certain song
I can boogie, boogie woogie all night long
Yes sir, I can boogie
If you stay, you can't go wrong
I can boogie, boogie woogie all night long

No sir
I don't feel very much like talking
No neither walking
You wanna know if I can dance

Yes sir, already told you in the first verse and in the chorus
But I will give you one more chance

Oooohh! Yes sir, I can boogie
But I need a certain song
I can boogie, boogie woogie all night long
Yes sir, I can boogie
If you stay, you can't go wrong
I can boogie, boogie woogie all night long
Yes sir, I can boogie
If you stay, you can't go wrong
I can boogie, boogie woogie all night long
Yes sir, I can boogie
But I need a certain song
I can boogie, boogie woogie all night long

Yes sir, I can boogie
If you stay you can't go wrong
I can boogie, boogie woogie all night long
Yes sir, I can boogie
If you stay you can't go wrong
I can boogie, boogie woogie all night long
Yes sir, I can boogie
If you stay you can't go wrong
I can boogie, boogie woogie all night long

Don't Leave Me this Way

Don't leave me this way
I can't survive, I can't stay alive
Without your love, oh baby
Don't leave me this way, now
I can't exist, I will surely miss
Your tender kiss, don't leave me this way

Oh... baby, my heart is full of love and desire for you
Now, come on down and do what you've got to do
You started this fire down in my soul
Now can't you see it's burning out of control?
Then come on, satisfy the need in me
'Cause only your good loving can set me free
Set me free, set me free

Don't, don't you leave me this way, no
Don't you understand, I'm at your command?
Oh baby, please, please don't leave me this way, no, baby
Don't leave me this way, now
I can't survive, I can't stay alive
Without your love, baby
Don't leave me this way

Oh... baby, my heart is full of love and desire for you
So come on down and do what you've got to do
You started this fire down in my soul
Now can't you see it's burning out of control?
So come on, satisfy the need in me
'Cause only your good loving can set me free
Set me free, set me free
Need your loving, baby, need, need
Need your love right now

Baby, baby, please
Come and satisfy the need in me...
Need your love right now...

Your love is so important to me...

Satisfy the need in me...

Oh baby, come and satisfy the need in me...

Don't leave me this way, no...

Don't leave me this way, baby...

Young man, there's no need to feel down
I said, young man, pick yourself off the ground
I said, young man, 'cause your in a new town
There's no need to be unhappy
Young man, there's a place you can go
I said, young man, when you're short on your dough
You can stay there, and I'm sure you will find
Many ways to have a good time.
It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.
They have everything
For young men to enjoy.
You can hang out with all the boys.
It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.
You can get yourself clean
You can have a good meal
You can do whatever you feel.
Young man, Are you listening to me
I said, young man, what do you want to be
I said, young man, you can make real your dreams,
but you've got to know this one thing.
No man, does it all by himself
I said, young man, put your pride on the shelf
And just go there, to the Y.M.C.A.
I'm sure they can help you today
It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.

Young Man, I was once in your shoes,
I said, I was down and out with the blues
I felt, no man cared if I were alive
I felt the whole world was so jive
That's when someone came up to me and said
Young man take a walk up the street
There's a place there called the Y.M.C.A.
They can start you back on your way.
It's fun to stay at the Y.M.C.A.
It's fun to stay at the Y.M.C.A.
They have everything
For young men to enjoy.
You can hang out with all the boys.
